Donations to American Horse Trials Foundation are 100% tax deductible according to the IRS Code Section 501(c)(3). The American Horse Trials foundation was established in 1987 to assist 3-Day Event Riders and Organizers in raising tax deductible financial support for national and international competition. In 1996 the Bylaws were revised so that the Foundation could assist riders competing in the related disciplines of dressage and show jumping.

I have recently established grant eligibility with AHTF. By making a tax deductible contribution to AHTF, you will be helping me and my horses realize our potential.
